The Committee is authorized to investigate any matter within the scope of its Charter, with full and direct access to all pertinent University, records, personnel, independent auditors and consultants.

IV. Adoption of Charter

This Charter shall be effective as of the date of its approval by the Board. The Committee will periodically review the Charter and recommend to the Board revisions thereto, in view of evolving accounting standards, legal developments and experience gained.

These Guidelines serve as an operational supplement to the Audit Committee Charter. They are intended to reflect generally accepted accounting industry standards and practices applicable to non-profit corporations and higher education institutions.

The Guidelines shall be reviewed annually by management, and management shall report annually to the Committee regarding the status of the Guidelines. The Committee shall make revisions to the Guidelines as necessary or appropriate in view of evolving accounting standards and practices, legal developments and experience gained.

review and action by the Committee where the retention will result in fees of $10,000 or more.

b.
