Write a brief but thoughtful answer to each of the first two questions after reading Eron, TV and Aggressive Behavior from your Readings Book (Reading #1). Please type out your response, number the questions, and use no more than 2 pages, back to back (one physical page if possible.) Be prepared to discuss the answer to question number 3.

1. What are the factors that Eron's research shows are related to children displaying aggressive behavior. Include all of the factors identified in the research. **2 pts**

2. Eron tried to see if he could reverse the effect of watching violent TV. What did he do and with what results? **2 pts.**

Discussion Question:

3. Violence is omnipresent on TV, in the newspapers, and movies. Why are you not an aggressive person? Which of the research findings apply to you? What are the factors that you feel are responsible for the fact that you are not an aggressive person?
