Homework #3

DUE WEDNESDAY FEBRUARY 13th at 4:50 P.M.

4 pts total

After reading article #3 Reckless Behavior in Adolescence, by Arnett, write a response to the following three questions. Please type out your responses. Keep your responses brief! No more than one or two pages total (one physical page if possible).

1. What are the explanations that Arnett presents to explain why reckless behavior is particularly common among adolescents? Identify them. 2 pts

2. Which explanation do you believe is the most successful in explaining adolescent risk taking? Why? 1 pt

3. Did you find any of the information presented in the article relevant to your own adolescent experience? Briefly explain why or why not. 1 pt
