

Homework 10
Math 130 - Due April 7, 2011

Written Problems from P&B:

Section 6.3 (p. 149) # 2, 4, 6a, 6b (only problem 4), 7, 8, 10 (only exercise 29), 11

Section 6.4 (p. 154) # 2, 3, 4, 5

To be done as a 20-minute quiz. Please show all your work, you will be graded on the presentation of your solutions as well as the mathematics involved.

1. Do Problem 9 on page 149 of P & B.
2. Write a teacher's solution to the following problem from Primary Math 5A:

Mr. Ray had \$400. He spent $\frac{2}{5}$ of it on a vacuum cleaner and $\frac{1}{4}$ of the remainder on a fan. How much money did he have left?
