NOTES:

This is just one potential path to the major.
The path followed by students will depend on their level of French upon arriving at UVM (some students place into a course higher than 051), study-abroad travel, and personal academic interests.
There is considerable flexibility in terms of the major course requirements as well as the sequence in which many of them may be taken.

Major = 30 credits in French numbered 100 level or higher of which 15 credits must be at the 200-level, including:
French 101, 141, 142
One 200-level Literature course
French 132, 135
9.00 elective credits at the 100-level or above
3.00 elective credits at the 200 level
Only 3 credits for Readings and Research (FREN 197, 198) and Advanced Readings and Research (FREN 297, 298) may count toward major

Distribution Requirements: B.A. degrees in the College of Arts and Sciences require completion of 7 distribution categories:
