

Alum Panels Spring '18

CEMS Career Night

Co-hosted with the College of Engineering & Mathematical Sciences

Feb 7th | Silver Maple Ballroom

CEMS undergraduate and graduate students are invited to meet, learn about, and network with various employers and alumni in the area. Professional dress & registration required. Refreshments.

Nurse Practitioner & Physician Assistant Panel

Co-hosted with the Pre-PA Club

TBD: Feb 28 or Mar 7 | The Hub

Students interested in NP or PA positions learn from alum in those fields – what's it really like? How'd they find their current position? What word of wisdom would they share?

Science Career Panel

Co-host: Office of Fellowships, Opportunities, & Undergraduate Research

Potential co-hosts: Chem Cats, Biochem Society, Society of Physics Students, Neuroscience Club

March 26 | The Hub

Science Majors meet local professionals who will discuss: what lead them to their current position - how their major shows up in their career - experiences at UVM set them up for success. Pizza.

Queer in Your Career Panel

Co-hosted with the LGBTQA Center & The Foundation

Potential co-host: Free2Be

April [TBD] | The Hub

LGBTQA students hear from young alums in a variety of fields; followed by a meet and greet.

Careers for the Common Good

Co-hosted with the College of Arts & Sciences

Potential co-hosts: Leadership & Civic Engagement, VIA, and ASB

March 21 | The Hub

Students interested in professions focused on the common good hear from those making a difference in both the public and nonprofit sectors.

Careers in Communications & Media

Potential co-hosts Student TV, Radio, and the Cynic

April 18 | The Hub

Students interested in careers in marketing, communication, and media.
