

MAKING SPACE FOR GRIEF

Tuesday, Nov 13 @ 7:15pm

Interfaith Center

(On Redstone Campus next to water tower)

It has been a heavy semester on campus, as many of us have been experiencing thoughts and emotions of deep sadness, pain, worry, and more. Join the four UVM identity centers as we come together in community to hold and process some of the concerns we're carrying for our individual lives, communities, and world. There will be opportunities for small group conversation and creative reflection.

A collaboration of:

Interfaith Center

The Mosaic Center for Students of Color

Prism Center

Women's Center
