

# 4-H Horse Contest Resources

(February 2024)

4-H horse contests should be a way for youth to demonstrate concepts that they have learned through club meetings. Below are resources for use in getting ready for quiz bowl or hippology contests. Studying questions may show potential topics for further learning; however, youth should NOT be encouraged to memorize questions and answers. Questions found on the websites referenced below may or may not appear in a 4-H horse contest. These questions are not the actual contest questions for any given year. They are samples of what you may see and were found through a website search. There are many more examples online.

## **Hippology, Horse Judging and Quiz Bowl (resources, questions, references)**
