Students are also considered for need-based financial aid (via a combination of University, Federal and State grants, need-based loans and/or Work Study contingent on good academic standing and full-time enrollment in an eligible STEM major). Enrolled Scholars are admitted students. To protect students from any delays in FAFSA processing and enhance our ability to award need-based financial aid in a timely manner, UVM will require both the CSS Profile and the FAFSA for students applying for need-based financial aid.
