4-H Project Record

A 4-H Project consists of at least 6-8 hours of various, sequential learning experiences (over a period of at least a few days or several weeks) exploring a general subject with the guidance of a project leader or mentor.

Name: _____

Club: _____

Project Title: _____ **Number of years in this project:** _____

Project Leader(s)/Mentor(s) Name (s): _____

My goals are:

1. _____

2. _____

3. _____

4. _____

5. _____

Member Signature: _____Date: _____

Leader/Mentor Signature: _____ Date: _____

Project Journal

Part I: Project work I did with my club.

Date	Describe what you did or what you learned about *with your club*.	Time Spent	Activity Expenses

Project Journal

Part II Extra project work I did on my own.

Date	Describe what you did or what you learned about *on your own*. This section may include independent study you did to learn about your project AND things like trainings, workshops, classes, clinics, livestock shows, and project knowledge or skill contests.	Time Spent	Activity Expenses
PROJECT PRESENTATIONS DONE OUTSIDE THE CLUB SETTING: **This section should include any visual or verbal presentations you developed and conducted that shared project skills, knowledge, or information with an audience outside your club. Describe what kind of presentation (ex: poster, tabletop, talk), the specific topic, and where it was presented.**			

Project Summary

Total Project Hours _____   **Total Project Expense** _____

1. Explain how you met your project goals or tried to meet them.

2. Describe a challenge you faced with this project and how you overcame it.

3. What were the most important things you learned as part of this project?

Continued on next page.

4. What life skills did you learn doing this project? Look at the life skill wheel and mark the ones *this project* helped you learn.

MEMORIES

Please add pictures, photos, handouts, or anything else you would like to include to complete your project summary. Add pages as needed.
