

# COST OF PRODUCTION WORKSHOP WITH JOANNA LIDBACK

This workshop is for dairy producers interested in learning more about how to calculate cost of production on their farms. This workshop will be led by Joanna Lidback, owner of Adirondack Management Services.

Joanna is a financial consultant with Adirondack Management Services and CFO at Adirondack Farms LLC. She brings a wealth of knowledge and experience in helping dairy farmers understand farm financials and improve farm viability.

**Wednesday**  
**January 24, 2024**  
**10 a.m. – 3 p.m.**

**People's Trust Company**  
**1 Franklin Park West**  
**St. Albans City, VT 05478**

**This workshop is a free event, with lunch provided, and registration is required by Monday, January 22.**

In the event of inclement weather, this event will be rescheduled to Wednesday, January 31.

To request a disability-related accommodation to participate in this program, contact Whitney Hull at 802-656-7563 or [whitney.hull@uvm.edu](mailto:whitney.hull@uvm.edu) by Wednesday, January 3, 2024 so we may assist you. Contact Whitney with program questions or for additional information.

This event is sponsored by UVM Extension and the Northeast Dairy Business Innovation Center.
