

HOW IT STARTED

Naledi Farm
HOBA RE BANA BA THARI

**NATURE GIVES IN
BALANCE AND IN
ABUNDANCE**

KIDS PROGRAMS

Nature is our teacher

- Vegetable gardening classes
- School excursions
- Kids holiday camps

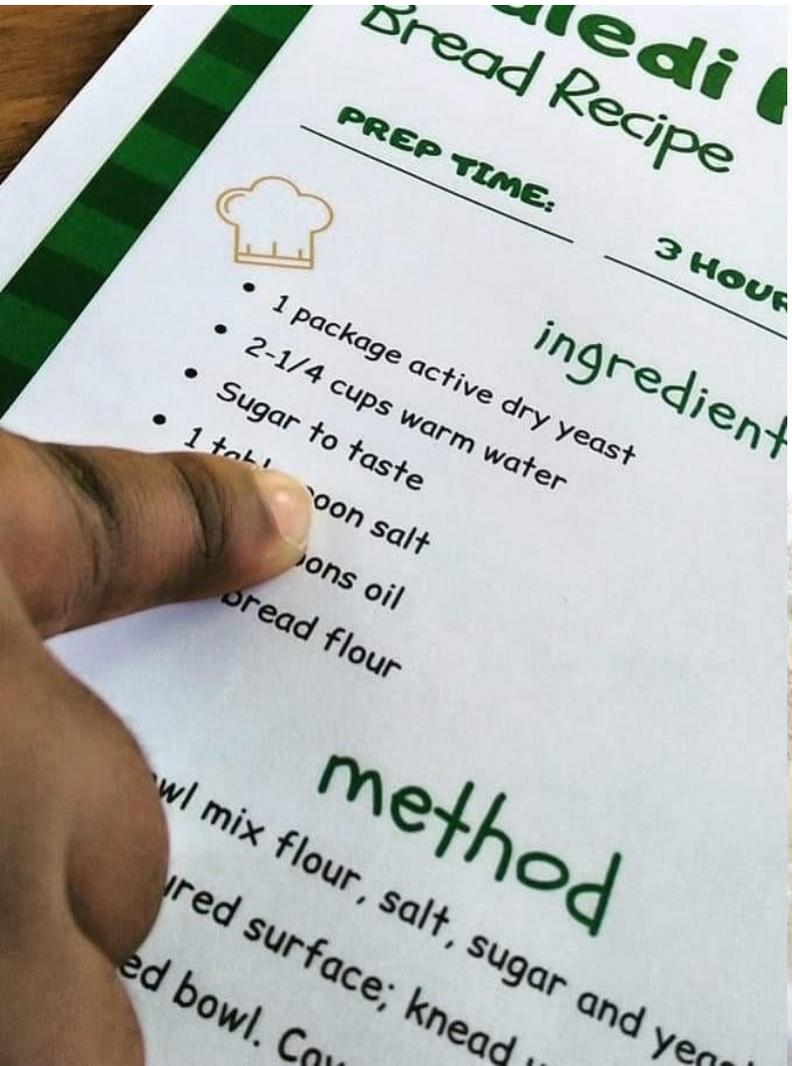

Aim is to encourage children to be **CREATIVE**, to work with their **HANDS** and be **SELF-RELIANT**

THE HARVEST TABLE

OUR EXPERINCE

BENEFITS

- Opportunity to generate more income
- Use resources that already exist
- Opportunity to pass on the baton
- Boost to the local economy.

CHALLENGES

- Low financial return, at least at first.
- Use of money upfront
- More work to keep the farm clean, safe and presentable
- Demands full and constant attention
