Overview:

Risk management planning is the process of identifying the parts of the farm business that are subject to uncertainty and deciding what to do about it. Complete the following exercises and develop a strong risk management plan for your farm.

RISK FACTORS

List the risk factors that face your business in the following categories on the lines below

				
Production <ul style="list-style-type: none"> • _____ • _____ • _____ • _____ 	Marketing <ul style="list-style-type: none"> • _____ • _____ • _____ • _____ 	Legal <ul style="list-style-type: none"> • _____ • _____ • _____ • _____ 	Human <ul style="list-style-type: none"> • _____ • _____ • _____ • _____ 	Financial <ul style="list-style-type: none"> • _____ • _____ • _____ • _____

Turn to the back side to complete the risk management checklist
