

Perennial Internship Program – Summer 2025

Internship Position Description

Internship Title: Waterkeeper Intern

Internship Site: Nantucket, Massachusetts

Description: The Nantucket Land & Water Council (NLWC) summer internship program will support the NLWC's environmental programs including research, education & outreach, advocacy and land protection. The internship will focus on supporting the Nantucket Waterkeeper with a multitude of projects across many disciplines. The responsibilities of the intern will include:

- Assisting with data collection and fieldwork for NLWC's ongoing summer research projects focused on the health of our island's marine and freshwater resources. These projects may include, among others: Eelgrass monitoring and restoration, freshwater pond water quality sampling, and harmful algae bloom monitoring;
- Assisting with ongoing equipment maintenance and sample processing/shipping;
- Assisting with educational programs either in person or via a virtual platform;
- Assisting with communication via the writing and creation of newsletter articles and/or social media messaging;
- Conducting an independent policy-focused research project with assistance from staff.

Staff housing is included and located mid-island close to all necessary amenities. Bike and bus transportation are recommended, as car transport is expensive, and Nantucket is a very bike and pedestrian-friendly island.

Desired qualifications/skills/coursework: Desired qualifications include some background in biological, environmental or natural resources sciences/studies, writing and communication skills, with lab or field experience and education or leadership experience preferred. A great candidate will be a self-starter, a team player with a strong desire to learn and an ability to work independently.

Supervision: The Waterkeeper intern will report to the Nantucket Waterkeeper, and most days will work directly alongside the Waterkeeper on research and education projects. From time to time, the Waterkeeper intern will also work directly with other NLWC staff, volunteers, and other island organizations.

Start and End Dates: Mid-May – Mid-August, 2025 (exact start/end dates are negotiable)

Total Hours: 35 hours/week for 12-14 weeks

Compensation: \$18/hour

How to apply:

Rubenstein students who will have completed their sophomore or junior year by summer 2025 are eligible to apply. Students graduating in May 2025 are not eligible to apply. Earning Independent Study or Internship credit through the Rubenstein Internship Program is required.

3. You should now see the Perennial Internship opportunities! Click “View Details” to learn more about each position.

- Please do take the time to carefully read each individual description so that you don’t miss a great opportunity by judging an internship solely on its title.
- You may apply for up to **three** Perennial Internships.
- All applications are due by **11:59pm, on Friday, February 7th, 2025.**

4. You’ll need to upload both required documents in Handshake before you can apply for any Perennial Internship:

- Click on your name at top right of screen in Handshake
- Select Documents.

5. Please upload all documents as PDFs. The following are the required documents:

- Resume
- Cover Letter
 - You should write and upload a unique cover letter for each position to which you are applying.
 - In your cover letter, provide the name & contact information for at least one professional reference. This could be someone who supervised you in a past work/internship/volunteer position, or a professor or teacher, etc. The person listed should not be the person who completes your recommendation form.

6. In addition to the documents listed above, a **recommendation form will need to be completed by a Rubenstein faculty, graduate student, or staff member of your choosing**. When you ask your recommender if they are willing to complete the form to support your application, please provide your recommender:

- This link: [RECOMMENDATION FORM](#)
- Only one recommendation form needs to be completed regardless of how many Perennial Internships you are applying for.
- Your recommender will complete & submit this form online and then your recommendation will be confidentially added to your application(s). This recommendation form needs to be submitted by the February 7th, deadline.

7. Make sure that your resume and cover letter(s) are as strong as they can be! Utilize the resources around you:

- Get your resume and cover letter reviewed by a Career Counselor at the Career Center. You can check the Career Center's drop-in hours [here](#). The Career Center also offers a guide on building your resume available [here](#).
- Set up an appointment with one of Rubenstein's Career Coaches - [Emily LeForce](#) or [Cathy Shiga-Gattullo](#) - or with PIP Coordinator, [Sarah Mell](#). Sarah Mell will also be available on Wednesdays from 1pm-3pm for PIP Drop-ins! Just swing by Aiken 220 to connect!

8. If you are selected to interview for a Perennial Internship, you will be contacted by the site to set up an interview during late February to early March.
