

Perennial Internship Program – Summer 2025

Internship Position Description

Internship Title: Stewardship Assistant

Internship Site: The Nature Conservancy (Vermont)

Description: The Nature Conservancy's mission is to protect the lands and waters on which all life depends. In Vermont, this is accomplished through the efforts of a dedicated team of staff working on a wide variety of conservation strategies aimed at addressing the twin crises of biodiversity loss and climate change. The Stewardship Assistant is based in Montpelier and will work directly with the Stewardship Manager as well as with other staff and volunteers to advance conservation across the state. This person will primarily be involved with hands-on, outdoor field work (both as part of a team as well as independently) to complete land management projects on natural areas throughout Vermont. In addition to field work, the Stewardship Assistant will also assist with office tasks such as mapping, data management, and reporting, with opportunities to work on special events or projects.

The Stewardship Assistant participates in all aspects of natural area operations, maintenance, and management. This may include the following functions:

- Maintain and improve public access opportunities, including walking trails, signs, ledger boxes, kiosks, parking areas, and property boundaries
- Assist with monitoring and restoration of ecological functions within a wide variety of natural communities
- Provide support for outdoor workdays alongside a combination of other staff, partners, and volunteers
- Conduct legal monitoring visits to TNC preserves and lands under conservation easements and complete annual inspection reports
- Prepare for and follow up on stewardship workdays, including equipment maintenance and cleaning, record keeping, and outreach/communication
- Conduct basic GIS (Geographic Information Systems) mapping and data collection with GPS units

Position involves travel across the state (work vehicle provided) but is based in Montpelier, Vermont which is serviced by the GMT Regional bus service. Students can use this service for free with a valid UVM ID.

Desired qualifications/skills/coursework*:

Basic Qualifications

- Demonstrated ability to work independently and take initiative as well as work effectively on a team
- Ability and enthusiasm to do repetitive physical labor outdoors and to work some long days, or (rarely) evenings/weekends for special events
- Field experience in natural science, land stewardship, and/or related field
- Ability to work with a diversity of volunteers, staff, community leaders, and organizational partners
- Working knowledge of GIS and Microsoft programs
- Valid driver's license and safe driving record

Required Knowledge and Skills

- Ability to perform physical work in inclement weather at remote locations, on difficult and hazardous terrain, and under physically demanding circumstances
- Ability to follow instructions from colleagues
- Familiarity with Vermont flora and fauna; understanding of basic ecology; plant identification skills

Supervision: Stewardship Assistant will be an integral part of the Stewardship/Land Management team and work both under direct supervision and independently. The direct supervisor for the position will be Jack Markoski, Stewardship Manager. TNC Vermont has been hosting Perennial interns for a decade.

Start and End Dates: (Mid-May to Mid-August 2025 – exact start/end dates are negotiable)

Total Hours: (35 hours/week for 10 weeks)

Compensation: \$18.00/hour

How to apply:

Rubenstein students who will have completed their sophomore or junior year by summer 2025 are eligible to apply. Students graduating in May 2025 are not eligible to apply. Earning Independent Study or Internship credit through the Rubenstein Internship Program is required.
