Summer Research Fellowship Juckett Scholar Details

Two students will be selected to receive the Juckett Scholar Award as part of the UVM Cancer Center Summer Research Fellowship.

ELIBILITY:

- You must be a medical or graduate student
- Your rubric score must be in the top 20% of all applications

BENEFITS:

- An extra $1,000 for your summer research ($5,500 total)*
- The opportunity to present your work to UVM Cancer Center affiliated groups, such as the Community Advisory Board and UVM Cancer Center Scientific Retreat
- Features in UVM Cancer Center newsletters and social media

*For funded graduate students, please review this document for information on stipend and fellowship duration.
