Accessing UVM's new Fire Safety Online Course in BrightSpace (effective 1/1/2025)

1. Log-in to BrightSpace using a UVM NetID and password, if you have one assigned. You may also access the system without UVM credentials by clicking on the link for "No NetID?" as shown in the picture below.

2. On the BrightSpace main page, click on "Discover".

3. Type "fire" in the search box and begin the search (enter key or click on the magnifying glass). This should display the new non-credit Fire Safety Training course. Click on the course icon and then click the "Enroll in Course" button.
