*6-8 credits of Foreign Language are required, and the sequence depends on the language and level selected.

**A minor is required to earn a degree in CSD. Associates Degree is approved as a substitute for the minor requirement.

Please review the UVM undergraduate catalogue for a list of available minors. Minor options can slightly vary in number of credits. The average number of credits is 18. Any adjustment will affect the number of elective credits needed to earn a UVM degree. Due to course sequencing and pre-requisite completion, not all minors can be completed in four semesters. Please connect with your advisor to discuss your career goals and degree completion timeline.

Students completing Calculus and/or specific foreign languages at UVM will be required to complete placement tests prior to registering into these courses at UVM.

Students with applied transfer credit to their CCV degree and other transfer credits must send an official transcript from each transcribing institution to UVM. How transfer credits are accepted by CCV may differ from UVM's policies. Please note that this includes evaluation of AP, IB, and CLEP scores.

Please contact Undergraduate Admissions, transfer.apply@uvm.edu with questions about transfer credits from other institutions.

Information related to Academic Honors can be found in the UVM undergraduate catalogue. Please note: to graduate with Latin Honors, a student must have taken at least sixty credits at UVM in which a letter grade of A, B, C, D, or F has been awarded.
