

Cole Esbin for SGA Senate

Hi! For those who may not know me my name is Cole Esbin. I am a sophomore from Clifton, NJ studying Economics and Business with a minor in Sports Management. I am super excited to announce the launch of my campaign for School Year 25-26!!! This past year I had the opportunity to serve on the SGA finance committee, while it has been a great experience and has taught me a lot. I see the need for transparency and communication between SGA Finance and the student body. If elected, I plan on creating a more holistic and open approach to our procedures.

Vote Cole Esbin for SGA!!!

How I contribute to the UVM Community

- Served on the SGA Finance Committee (2024-2025)
- Ad-Hoc Committee Member for Sexual Violence Awareness Month
- Club-Signer of the Econ Club
- Advo-Cat Tour Guide
- Orientation Leader
- Member of ASRC

My three guarantees

1. Transparency in SGA Finances

The Student Body has questions about how the SGA Finance Committee operates, and we need answers! I will work to ensure greater transparency and communication regarding SGA financial decisions.

2. One Credit Class for Clubsigners

Clubsingers play a crucial role in student organizations and dedicate significant time and effort to their responsibilities. I plan to introduce a one-credit class to acknowledge their work and provide additional support.

3. Clear Communication

Students deserve to know what the SGA does and how it can help them. Improving communication channels between SGA and students will ensure transparency and efficiency in addressing student concerns.

I would like to thank everyone for reading my campaign! I have a strong desire to stand for the student experiences here at UVM and **I want to be able to represent you and the rest of the UVM Student Body! VOTE APRIL 2nd - 4th**

Please reach out with any questions!
