

Hi! My name is Jaden Grace, and I'm running to be your senator once again!

I have been working as a senator on the SGA Club Affairs and PR Committees for about a year now. I've spent my time overseeing 250+ clubs on campus, directly confirming seven clubs, re-activating 4, and bringing numerous organizations back into good standing with the SGA. I was proud to organise a clean-out of the Galaxy Space Storage Cage with Senator Esbin, and I am currently working with my fellow senators to build the first Clubsigner Awards Show, the Clubbies! When I'm not in senate, I'm putting in hours as a Mechanical Engineering major, making your sandwich at Green Roof Deli, serving as a TA for the CDAE Department, and performing with the wonderful UVM Hit Paws.

My Club Affairs background has shown me the numerous responsibilities of clubsigners on campus, both to SGA and to their own members. I want to give clubsigners tools for success so all members of the student body can enjoy their time at UVM. I will work to streamline the process to get SGA Organisations back in good standing and provide more fundraising opportunities for the clubs I am proud to represent as a Club Affairs senator. Vote Grace!
