

ANDREW RANALLO

SGA Senator

My name is Andrew Ranallo, and I am a Junior political science & environmental studies major at UVM. I am running for a Senatorial position in the Student Government Association because I am committed to working for, and with, every student on campus to make UVM the best community that it could be.

This is my third year running for a Senatorial position on UVM's SGA. During my second semester, I was elected to the Senate and placed on the Finance Committee, where I have continued to serve for the past five semesters. As a previous member of the Finance Committee, I have worked hard to remain fair and impartial for all students groups, clubs, and organizations. If re-elected, I will continue my work on the Finance Committee, and ensure that SGA's financial policies are more open and transparent for the student body. I am open to hearing from any student, not just those representing clubs, and would love to talk to any about anything, finance related or not.
