Alumni

NEWSLETTER

Greetings Public Health alumni! Welcome to the bi-annual newsletter where we will bring you program updates, alumni features, and engagement opportunities.

Program Updates:

Our doctoral program proposals are in process! We are excited to implement a DrPH program and a PhD program in Public Health soon.

Are you interested in pursuing a DrPH or PhD in Public Health? Please answer our **one-question** [survey](#)!

Check out Dr. Carney's most recent comments on the [measles outbreak](#).

As part of National Public Health Week, Dr. Griffin was interviewed on Across the Fence, a daily show co-produced by UVM Extension and WCAX. See the interview [here](#).

Have great feedback?
Let us know:

Cheryl.hansen@med.uvm.edu

Did you know?

We are getting a new website! Check back soon to see the brand new site and new features, especially Public Health Voices which features articles about contemporary issues, faculty publications, and the latest in Public Health.

Get Involved!

As an alumni of the program there are countless ways to be involved. Would you like to mentor a student about to graduate or guest lecture in a course? Please let us know!

Alumni Spotlight: Mykayla Smith

Mykayla is the Director of Program Development at Mission Mobile, Greensboro, NC. Mission Mobile is a mobile healthcare company, and Mykayla's role is to develop mobile health programs for organizations throughout the US to provide access to primary care, dental, and behavioral health services.
