ASBESTOS ABATEMENT NOTICE

BUILDINGS AND AREAS AFFECTED:

UHC Med Center Rehab Building Student Health Services Clinic at 1 South Prospect Street
Rooms G305, G307, G309, G310, G311, G312, G313, G314, G315, G316, G317, G318, G318A, G318B, G319, G321, G308, G308B, G320, G322, G323, G324, G325, G327, G328, G329, G331, G333, G335, G335A and G336 & Hallways

WHAT IS HAPPENING?

As part of renovations, Environmental Hazards Management, Inc. will remove Flooring in rooms G305 - G336 & Hallways removal of 3556 SQFT of Flooring and Mastic/Adhesive.

DURATION OF WORK:

Start Date: Monday, May 19, 2025
Completion Date: Friday, June 6, 2025
Hours: 6-4:30

WHAT TO EXPECT:

A containment area under negative pressure will be constructed in multiple areas of the building. During abatement, workers will wear personal and respiratory protection. Areas will be clearly marked and should not be entered unless a situation posing an Immediate Danger to Life and Health (IDLH) occurs, and if possible, this entry should be made with personal and respiratory protection.
