Those staff members who meet the above criteria but are also members of Collective Bargaining Units may apply for Staff Emergency Loans as well.

¹ Extraordinary circumstances are defined as those events which could cause an immediate and unexpected financial burden such as the death of a family member, medical procedures, and damaged or destroyed property that needs to be repaired or replaced as soon as possible (plumbing, roofs, windows, furnaces, automobiles)

❖ **No more than three loan applications within a three year period will be approved.**

Procurement of Loan

1. A Staff Emergency Loan Fund Application is completed (including signature) and delivered to the Staff Council Administrator or designee, 313 Waterman. Requests to meet with the Administrator or designee to discuss Applications and/or questions about the loan procedure are welcomed and encouraged. Applications can be found on the the Staff Council website <https://www.uvm.edu/staffcouncil/funds-awards>.
2. Available money in the Emergency Loan Fund will be reviewed by the Staff Council Administrator to determine if a loan can be made. If money is not available, the applicant will be notified that the loan was denied due to insufficient funds.
3. If money is available for a loan, the Loan Application will be reviewed by the Staff Council Administrator or designee to determine whether a loan should be approved or denied based on eligibility qualifications.
4. The applicant is notified by the Staff Council Administrator or designee as to whether the Application has been approved or denied.
5. If a Loan Application is approved, the following procedure will occur:
 - a. The Staff Council Administrator will review the responsibilities and restrictions associated with the use of the Staff Emergency Loan Fund with the applicant.

- b. The Promissory Note and Salary/Wage Deduction Authorization included on the Loan Application will be signed by the applicant and the Staff Council Administrator or designee. The Loan Application outlines the repayment amount and schedule.
 - c. A copy of the signed Loan Application (which outlines the repayment amount and schedule) and instructions on responsibilities and restrictions to the Fund will be given to the applicant approved for a loan. One copy will be sent to University Financial Services/Payroll Services (UFS/Payroll) to set up payroll deduction for repayment of the loan. One copy will be sent to Financial Services to make a check request. The original Loan Application will be securely filed with the Staff Council Office.
 - d. The Staff Council Administrator or designee will make a check request with Procurement Services for the agreed upon loan amount and contact UFS/Payroll to set up payroll deduction for repayment of the loan. The check will be drawn and presented to the staff member in a timely manner to occur on the next day of disbursement. Checks are drawn on Tuesdays and Fridays. The approved applicant will be emailed with times, days and location to retrieve the check. In order to receive a check on Tuesday or Friday, all paperwork must be completed, processed and submitted to Procurement Services no later than 3:30 pm on Monday or Thursday.
 - e. Should an employee leave the university, the entire balance due will be deducted from the last check paid to the employee.

If the President and Vice President disagree on what action to take, the appeal will be sent to the Staff Council Executive Board for further review to occur in a timely manner. In most instances this review takes place over email with a designated time to respond. The determination to approve or deny a loan through the appeals process is ultimately up to the majority opinion of Executive Board members who respond within the given window of time. The Staff Council Administrator or designee assists with the appeal process and uses the SELF Review form to maintain anonymity of applicants, but provide information on each individual case so that an impartial determination can be made.
