## UVM EMG/VMC Volunteer Hours Tracking Sheet

You may use this form to track your hours as you accrue them over the year – you will aggregate and report them in the annual volunteer hours form, open December to January.

Date	Name of Project or Event	# Volunteer Hours	# Continuing Ed Hours	# Adults I Provided Info To	# Kids I Provided Info To	Output: What type of educational activity I offered/taught and on what subject?	Outcomes: What happened? (So What info)	Notes
Example	Info Table at Pollinator Celebration Day, Shelburne Farms, Shelburne	4.0	0.0	12	3	Staffed the EMG info table at Pollinator event that reached 42 individuals. Answered questions and provided resources on pollinators and pollinator habitat, including pollinator gardens.	Increased awareness on how to increase pollinator habitat in gardens and home landscapes.	One family wanted to convert a section of their lawn to a pollinator garden. I guided them on how to terminate the grass, gave them resources and answered their questions. They said, "Thank you for your help. We now have a plan and know what to do to create a pollinator garden."
