

Tri-State Dairy Exchange: Navigating the Future of Dairy monthly webinar series

The last Wednesday of every month
from 11:30am-12:30pm EST

July 30 Rumen Biochemistry & Function

Join independent dairy nutrition consultant, Kurt Cotanch for a deep dive into how the rumen works and learn about how we can nutritionally support the dairy cow in her efforts to convert nutrients into milk and component production. Learn about the forage quality metrics that impact rumen function and feed efficiency.

The mission of the Tri-State Dairy Team is to unite Maine, New Hampshire, and Vermont in advancing dairy management through collaborative educational programs, addressing shared industry challenges and fostering innovation across northern New England.

Register

Upcoming in this series:
