

### List of New Faculty AY 2024-2025

| First Name      | Last Name        | Unit   | Department                                  | Rank                          |
|-----------------|------------------|--|---|-------------------------------|
| Ghazah          | Abbasi           | College of Arts and Sciences                           | Sociology                                   | Assistant Professor           |
| Aria            | Aber             | College of Arts and Sciences                           | English                                     | Assistant Professor           |
| Melissa Kate    | Adams-Silva      | College of Education and Social Services               | Education                                   | Lecturer                      |
| Nicholas        | Aflitto          | Rubenstein School of Environment and Natural Resources |   | Assistant Professor           |
| Samantha        | Alger            | College of Agriculture and Life Sciences               | Agriculture, Landscape, and Environment     | Research Assistant Professor  |
| Judith          | Anglin           | College of Agriculture and Life Sciences               | Nutrition and Food Sciences                 | Chair and Associate Professor |
| Erkmen          | Aslim            | College of Arts and Sciences                           | Economics                                   | Assistant Professor           |
| Mary Jane       | Austin           | College of Arts and Sciences                           | School of the Arts                          | Lecturer                      |
| Linda           | Banda            | College of Education and Social Services               | Social Work                                 | Assistant Professor           |
| Anthony         | Barsic           | College of Engineering and Mathematical Sciences       | Electrical and Biomedical Engineering       | Senior Lecturer               |
| Christina       | Barsky           | College of Agriculture and Life Sciences               | Community Development and Applied Economics | Associate Professor           |
| Christina       | Barsky           | College of Agriculture and Life Sciences               | Community Development and Applied Economics | Associate Professor           |
| Michael         | Baysa            | College of Arts and Sciences                           | Religion                                    | Henderson-Harris Fellow       |
| Claudia         | Becerra Mendez   | College of Arts and Sciences                           | School of World Languages and Cultures      | Lecturer                      |
| Sara            | Benham           | College of Nursing and Health Sciences                 | Communication Sciences and Disorders        | Assistant Professor           |
| Thais           | Bernos           | Rubenstein School of Environment and Natural Resources |   | Assistant Professor           |
| Juliana         | Blais            | College of Nursing and Health Sciences                 | Nursing                                     | Clinical Instructor           |
| Michael         | Brasino          | College of Engineering and Mathematical Sciences       | Electrical and Biomedical Engineering       | Assistant Professor           |
| Peter           | Brewitt          | Rubenstein School of Environment and Natural Resources |   | Lecturer                      |
| Paige           | Brochu           | Rubenstein School of Environment and Natural Resources |   | Research Assistant Professor  |
| Alexandra       | Brooks           | College of Agriculture and Life Sciences               | Community Development and Applied Economics | Lecturer                      |
| Hao             | Chen             | College of Agriculture and Life Sciences               | Agriculture, Landscape, and Environment     | Assistant Professor           |
| Seungmi         | Cho              | College of Education and Social Services               | Social Work                                 | Assistant Professor           |
| Alexander David | Clayton          | College of Arts and Sciences                           | History                                     | Assistant Professor           |
| Kimberly        | Coleman          | Rubenstein School of Environment and Natural Resources |   | Associate Professor           |
| Devin           | Colman           | College of Arts and Sciences                           | History                                     | Lecturer                      |
| Samantha        | Connolly         | College of Engineering and Mathematical Sciences       | Computer Science                            | Lecturer                      |
| James           | Cooney           | College of Engineering and Mathematical Sciences       | Physics                                     | Senior Lecturer               |
| Eva             | Cosaroaba        | College of Engineering and Mathematical Sciences       | Electrical and Biomedical Engineering       | Senior Lecturer               |
| Kate            | Creutzinger      | College of Agriculture and Life Sciences               | Animal and Veterinary Sciences              | Assistant Professor           |
| Boyi            | Dai              | College of Nursing and Health Sciences                 | Rehabilitation and Movement Science         | Professor                     |
| Keith           | Doyle            | College of Engineering and Mathematical Sciences       | Mechanical Engineering                      | Lecturer                      |
| Keith           | Epstein          | College of Engineering and Mathematical Sciences       | Mechanical Engineering                      | Lecturer                      |
| Foroogh         | Farhang          | College of Arts and Sciences                           | Anthropology                                | Assistant Professor           |
| Karsten         | Fatur            | College of Agriculture and Life Sciences               | Plant Biology                               | Lecturer                      |
| Amy             | Finley           | College of Agriculture and Life Sciences               | Nutrition and Food Sciences                 | Lecturer                      |
| Stephanie       | Foote            | College of Arts and Sciences                           | English                                     | Professor                     |
| Carlos Andres   | Gallegos-Riofrio | College of Agriculture and Life Sciences               | Agriculture, Landscape, and Environment     | Research Assistant Professor  |
| Bonnie          | Glass            | College of Education and Social Services               | Social Work                                 | Lecturer                      |
| Teresa          | Graziano         | College of Nursing and Health Sciences                 | Nursing                                     | Assistant Professor           |
| Milton Ernesto  | Guillen Bendana  | College of Arts and Sciences                           | English                                     | Assistant Professor           |
| Maki            | Hatanaka         | College of Arts and Sciences                           | Sociology                                   | Associate Professor           |
| Kathryn         | Hinkelman        | College of Engineering and Mathematical Sciences       | Civil and Environmental Engineering         | Assistant Professor           |
| Md Ohiul        | Islam            | College of Arts and Sciences                           | Economics                                   | Lecturer                      |
| Isabella        | Jeso             | College of Arts and Sciences                           | English                                     | Lecturer                      |
| James (Jay)     | Johnson          | College of Arts and Sciences                           | Sociology                                   | Lecturer                      |
| Jennifer        | Keller           | College of Education and Social Services               | Education                                   | Senior Lecturer               |
