<u>Distribution/CCC</u>: 6-8 credits in the same foreign language at the appropriate level, as determined by the offering department. Typically these courses carry GC2, OC, and/or WIL2 designations. Need 40 unique CCC credits.

<u>Major:</u> ENVS 1500, 3-4 credits Introductory Course, 9 credits of Breadth Courses, 3 credits of Experiential Learning, 12 credits of advisor-approved Advanced Electives.

Minor: 12-18 credits

Electives: As needed to reach 60 total credits

Total credits required to earn Bachelor's degree is minimum 120

minors. Minor options can slightly vary in number of credits. The average number of credits is 18. Any adjustment will affect the number of elective credits needed to earn a UVM degree. Due to course sequencing and pre-requisite completion, not all minors can be completed in four semesters. Please connect with your advisor to discuss your career goals and degree completion timeline.

Students completing Calculus and/or specific foreign languages at UVM will be required to complete placement tests prior to registering into these courses at UVM.

Students with applied transfer credit to their CCV degree and other transfer credits must send an official transcript from <u>each</u> transcribing institution to UVM. How transfer credits are accepted by CCV may differ from UVM's policies. Please note that this includes evaluation of AP, IB, and CLEP scores.

Please contact Undergraduate Admissions, transfer.apply@uvm.edu with questions about transfer credits from other institutions.

Information related to Academic Honors can be found in the UVM undergraduate catalogue.. Please note: to graduate with Latin Honors, a student must have taken at least sixty credits at UVM in which a letter grade of A, B, C, D, or F has been awarded.
