

Searching for an approved Protocol

Once logged in navigate to the **IRB Module** at the top of the page. Click on the **Submissions** tab to begin searching for studies not listed in your “My Inbox”.

- Click the IRB tab at the top of the screen. It should default to the Submissions option.

Which protocols do I have access to?

You will have access to:

- All protocols on which you are the PI
- All protocols on which you are named the Contact
- All protocols on which you are named as a Study Team Member
- All protocols on which you are a Proxy

Who else can see my protocols?

- IRB Board Members
- IRB Staff
- Anyone the PI chooses to allow access

Searching for a Protocol

Below is an example screen print of the IRB>Submissions view

 CR00001991	Continuing Review for Study Example Study Title	10/21/2022 12:27 PM	Committee Review	John	Smith	Sarah	Wright	Continuing Review

1. Search for a protocol using the tabs

- **In Review:** This tab will automatically display. This is the default view of IRB>Submissions and it will list protocols, to which you have authority to see, that are undergoing some type of IRB Review.
- **Active:** This tab will list protocols, to which you have authority to see, that are in some type of Approved state. (Examples: Approved, Not Human Research)
- **Archived:** This tab will list protocols, to which you have authority to see, that are in some type of Closed state. (Examples: Closed, Discarded)
- **New Information Reports:** This tab will list protocols, to which you have authority to see, that have some kind of Safety or non-compliance issue in any state.
- **External IRB Studies:** This tab will list protocols, to which you have authority to see, that are external studies.
- **Relying Sites:** These are Site records associated with an External Study. There can be multiple Site records to one External Study.
- **All Submissions:** This tab will list ALL protocols to which you have authority to see, in any state.

2. Filter the list of search results

Once you select a tab, you can now filter the resulting list.

- Click the drop down and select the column to filter by. All columns can be filtered.

****TIP**** You can include additional filters by clicking "+Add Filter" if you would like to filter the list in more than one way.

Filter by  ID  Enter text to search for   

- Type the beginning characters for the value you want to find.
****TIP**** You can also type a % symbol as a wildcard before, or after, the characters.

Examples:

- 71 shows all items beginning with 71
- %71% shows all items containing 71

- Click the Search icon (or hit enter) to apply the filter.

2 Filter by  ID  Enter text to search for  

Examples (not case sensitive)

- To search only for a Study/Protocol:

Filter by  ID  STUDY% 

- To search only for a Continuing Review:

Filter by  ID  CR% 

- To search only for a Modification:

Filter by  ID  MOD% 

- To search for an active protocol that will expire before October 28, 2022:

In-Review	Active	New Information Reports	External IRB	Relying Sites	All Submissions	Archived
<p>Filter by  State  Approved   </p> <p>and by Expiration Date  <10/28/2022 </p>
