# Admitted Student Profile (Students admitted for fall 2025)

GPA 3.8 (4.0 scale)

## **Test Scores**

Test scores reflect applicants submitting them. Applicants for fall 2026 and beyond are not required to submit standardized test scores.

# Scholarships and Financial Aid

Students are automatically considered for merit scholarships when they apply to UVM.

First-year Vermont residents

UVM Promise allows admitted Vermont residents whose parents' adjusted gross income (AGI) is \$100,000 or less to pay zero tuition.

# Cost to Attend 2025-26

	Vermont Residents	Non-Residents
Tuition	\$16,606	\$44,646
Room & Board	\$14,256	\$14,256
Comprehensive Fees	\$2,908	\$2,908
Program Fee*	\$1,000	\$1,000

\*For students in the College of Nursing and Health Sciences, College of Engineering and Mathematical Sciences, and Grossman School of Business.

Students are automatically considered for the Honors College when they apply.

250+ students make up the first-year Honors College Class (100+ additional students with outstanding records join them as sophomores).

10% of first year UVM applicants are selected for the Honors College.

#### The Class of 2029

UVM's Class of 2029 marks another record high in academic achievement. 19% of the class hails from Vermont (with over half the state's valedictorians enrolling and students from all 14 counties). More than 50% of the new class comes from outside New England, with 47 states and 40 countries represented.

#### **Application Updates for 2025-2026**

UVM continues to offer several early application options: Early Decision I (deadline November 1), Early Action (deadline November 1), and Early Decision II (deadline January 15). The Regular Decision deadline is January 15. Our test optional policy continues for students applying Fall 2026 and beyond and new this year, students who choose to submit test scores can opt to self-report them on their application. Students applying for need-based financial aid only need to submit the FAFSA.

#### UVM – An R1 Institution

This winter the University of Vermont was recognized among the top tier of universities categorized by the Carnegie Classification of Institutions of Higher Education as R1 – a recognition of an extremely robust research enterprise, and a designation earned by less than 3% of U.S. higher education institutions.

### **Unique UVM Programs**

STEM Scholars: Leading Change Program A cohort-based learning community for future leaders in STEM committed to inclusive excellence. Scholars participate in research, intergroup dialogue, self-advocacy, and leadership activities while earning their degree. The program begins with a six-week summer bridge experience including coursework, lab research, and technical skill-building. Admitted Early Decision I and Early Action applicants in eligible STEM majors are considered for Scholars by invitation. Learn more at uvm.edu/cems/stemscholars.

Vermont Pitch Challenge An international competition for high school entrepreneurs to pitch innovative business ideas that make a positive impact. Participants receive expert guidance on writing business plans and creating compelling pitches, competing for cash prizes and a full UVM scholarship. Open to high school sophomores, juniors, and seniors. Learn more at go.uvm.edu/vtpitchchallenge.

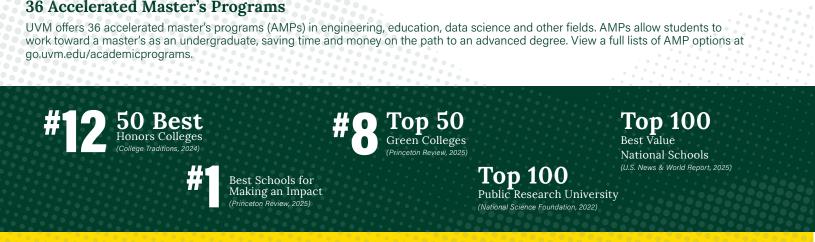

Liberal Arts Scholars Program An invitation-based program for first-year students in the College of Arts and Sciences. Students join one of six themed cohorts-Arts, Earth & Environment, Humanities, Life Science, Social Science, or World Language-each with 25 students or fewer. The program offers opportunities for research, internships, fellowships, and applying for sophomore entry into the Patrick Leahy Honors College. Learn more at uvm.edu/cas/lasp.

Undergraduate Business Co-op Program UVM recently received a \$15 million gift from the Grossman Family Foundation to establish a new Undergraduate Business Co-op Program. This program will provide hands-on work experience, connecting students with leading businesses and preparing them for successful careers in a rapidly changing economy. Learn more at uvm.edu/business

#### New Center for Health and Wellbeing

Plans are underway for a new \$16 million building that will unite medical services, mental health counseling, and physical therapy under one roof for students. The new building will more than double the current space on campus and will be situated in a more central location, within walking distance for most students living on campus. The building is set to open in Fall 2026.

# Applying to UVM

## uvm.edu/apply

Use either the Common Application (commonapp.org) -or- Apply Coalition on Scoir (mycoalition.org)

### What we look for in applicants:

Through holistic review, we select students who will contribute to the academic and cultural strength of our community. The rigor of an applicant's academic program, class standing, grades, and trends in performance are considered. Essays, recommendations, and other evidence of life experience also assist our evaluation. Admission decisions are made without regard to family financial circumstances.

**OPTIONAL SHORT ANSWER QUESTIONS** reflect our values and help us get to know each applicant. We hope students will get creative with topics ranging from "Ben & Jerry's is synonymous with both ice cream and social change... if you worked alongside Ben & Jerry, what charitable flavor would you develop and why?" to "Tell us how your identities have shaped the ways you interact with the world," to simply "Why UVM?"

**OPTIONAL TEST SCORE REVIEW** For applicants who choose to submit test scores, we consider only the highest SAT or ACT scores. Scores can be selfreported.

### Minimum Entrance Requirements:

Most successful candidates well exceed minimum requirements.

#### 4 years English

3 years math (algebra I, algebra II, geometry, or equivalents)

2 years same foreign language (American Sign Language accepted)

3 years natural or physical science, including a laboratory science

3 years social sciences

Coursework not completed at the high school level may be fulfilled by equivalent college-level academic work.

#### Additional requirements for UVM schools and colleges:

COLLEGE OF AGRICULTURE & LIFE SCIENCES 1 year biology; 1 year chemistry for animal and life science majors

COLLEGE OF ARTS & SCIENCES B.A. in music candidates must pass an audition (except for music business & technology concentration applicants)

COLLEGE OF EDUCATION & SOCIAL SERVICES Candidates for the B.S. degree in music education must pass an audition

COLLEGE OF ENGINEERING AND MATHEMATICAL SCIENCES 4 years math, including trig or precalc. 1 year chemistry and 1 year physics for all engineering majors. All other majors: 2 years laboratory-based science

GROSSMAN SCHOOL OF BUSINESS 4 years of mathematics (recommended)

COLLEGE OF NURSING AND HEALTH SCIENCES 1 year biology and 1 year chemistry; 4 years math, including trig or pre-calc

RUBENSTEIN SCHOOL OF ENVIRONMENT & NATURAL RESOURCES 1 year biology and 1 year chemistry, physics, or AP Environmental Science; 1 year college prep math beyond algebra II

#### New Application Completion Deadlines for 2025-2026:

Students applying Early Action or Early Decision I must complete their full application (including all supporting materials) by November 12. Students applying Early Decision II must complete their full application by January 30. Applications completed after this date roll into Regular Decision. Transfer students are encouraged to fully complete their application as soon as possible.

Nov. 1 – Early Decision I and Early Action\* Nov. 1 – Spring Entrance Jan. 15 – Early Decision II and Regular Decision June 1 – Transfer Deadline

\* Application fee waived for Vermont students

**UVM School Codes** College Board: 3920 / ACT: 4322 FAFSA Title IV: 003696 / TOEFL : 3920

#### School Reports

Please send directly to UVM:

- Official high school transcript
- First guarter grades (if applying EA, ED I or ED II)
- Mid-year grades
- One letter of recommendation (additional are welcome)

#### AP, IB, College Course Credit:

60% of entering students have earned college credit through AP, IB, or college courses taken.

ADVANCED PLACEMENT (AP) Scores of 4 or 5 receive credit in most subjects; scores of 3 are accepted in some areas. Students submit an official AP Score Report from the College Board with their application, or once they are admitted/enrolled.

**INTERNATIONAL BACCALAUREATE (IB)** A score of 5 or greater on higher level IB exams may be eligible for credit (UVM does not award credit for standard level IB exams). Submit an official IB transcript with the application for admission.

#### COLLEGE CREDIT TAKEN IN HIGH SCHOOL

College level coursework completed in high school is often eligible for transfer credit. Students must submit official college transcripts along with their application for review. For more information about UVM pre-college programs visit learn.uvm.edu/program/pre-college

# **Academic Enrollment Distribution**

Students select the UVM school or college they see themselves in and let us know when they apply. This becomes their academic "home" for advising and general requirements. However, students take courses throughout the university and can have majors and minors in two or more schools and colleges.

According to overall size:

College of Arts and Sciences (CAS) College of Engineering & Mathematical Sciences College of Agriculture & Life Sciences (CALS) Rubenstein School of Environment & Natural Rese College of Nursing & Health Sciences (CNHS) Grossman School of Business (GSB) College of Education and Social Services (CESS)

UVM also enrolls 1,676 graduate students and 487 medical students. (Data current as of June 2025)

### Our Majors, most also have minors

# Class of 2029 Enrollment Profile (Geographic/Demographic)

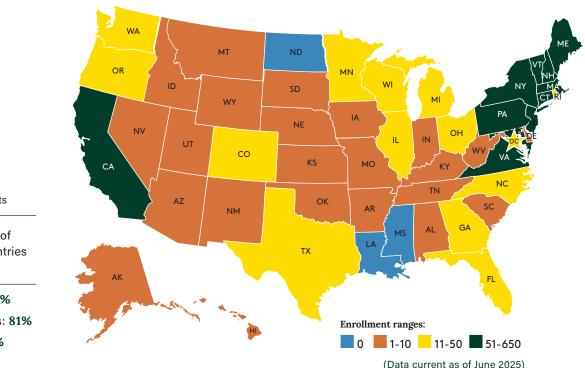

UVM is committed to serving the educational goals of gualified Vermont students. Since Vermont's high school population is small, more than two-thirds of our students come from other states as well as abroad, contributing to the diversity of our community.

#### Top "Feeder" States

Vermont Massachusetts New York Connecticut New Jersey Pennsylvania Maryland New Hampshire Maine California Virginia Rhode Island 55+ new first-year students

50% are from outside of New England; 40 countries represented.

Vermont residents: 19% Out-of-state residents: 81% Students of color: 18%

### **Burlington**, Vermont

Our home is a city beloved for great food and arts, global innovators and entrepreneurs. Our backyard boasts mountains and waterways for endless exploration. Add the resources of a "top 100" public research university—it's a complete landscape for active learning.

#### WHAT OTHERS SAY:

A "Top College Town" – Travel + Leisure

"Top 10 Tech Hub" -Forbes **Burlington #4 "Safest Cities in** 

the U.S." –Wallet Hub

#### Getting here is easy.

Patrick Leahy Burlington International Airport (BTV) is 3 miles from campus. Flights arrive and depart daily from major hubs. Trains and buses connect Burlington to Boston, NYC, and nearby Montreal.
