Running SIG will be fully sponsoring three, 5-person relay teams for Vermont City Marathon on Sunday, May 25th. Please reach out to [Jenna Bourdeau](#) or [Matthew O'Mara](#) ASAP if you have a team and want the chance to be sponsored or have any questions. We will be randomly selecting and registering prior to the price increase on MARCH 15th to give everyone plenty of time to register if not selected for funding. We will notify everyone interested, and if selected, have you completed a registration form. PLEASE ensure your team is committed to racing, it would be SO sad to have another team lose out on that funding! We really wish we could fund everyone, but if you aren't selected, Connor Nowak has also posted an excellent option to raise money for the Cancer Center, including a discount from Run VT. Details on VCM: VCM is one of the most hype sporting events that takes place in Vermont with a TON of community support along the entire beautiful route and is the largest marathon relay in the US. Our goal is to have as much Larner participation as possible, so we have made the decision to use ~all~ of our sig funds to support the largest possible (5-person) team size. The relay distances add up to a full marathon, so there are several different distances that can be run at any pace, aka ANYONE can participate. This should be a blast; we hope to see you on the course or cheering on the sidelines!! [3-5-person relay team details here.](#)
- **Housing Opportunity:** Housing Opportunity starting June 1, 2025, hello all, I am graduating this spring and would like to pass my apartment on to another medical student. The apartment is a 2 bedroom, 1 bath unit at Riverside Condominiums, about a 15-minute walk from the school and hospital campus. Unit amenities include dishwasher, in-unit washer/dryer, and a balcony. There is also a community pool for residents at Riverside. Water and gas, trash and compost are included; electricity and Wi-Fi are set up by tenant. Parking is available on the street, in parking lots, and there is one garage space for the unit. Rent is \$1,950/month. Pets are allowed but require a separate application and a \$200 fee per year per pet. If you would like photos of the unit or have any questions, please reach me at 616-540-8003. If you are interested in applying for the unit, please contact the landlord, [Michael Harrington](#)
