Bill Recognizing Lemons Club

WHEREAS, the Student Government Association recognizes that Lemons Club will have a positive impact on the students at the University of Vermont and provide them with a unique club experience,

WHEREAS, Lemons Club will contribute to students' overall experience at UVM by providing accessible experiential learning opportunities for students interested in engineering or auto racing, through the production of vehicles with rough edges that students attempt to bring to racing capacity in order to compete in an endurance race.

LET IT BE KNOWN that Lemons Club is a recognized club by the Student Government Association at the University of Vermont as long as it stays in good standing with the Student Government Association, follows the Code of Conduct, and keeps the Club Affairs Committee updated each semester.
