

## Refractions Guidelines

*Refractions* is a queer and trans centered publication from The Prism Center that strives to cultivate belonging and joy for the QT community here at UVM and in Vermont. *Refractions* is a program/event menu, a resource guide, and a news archive, all with a queer and trans centered lens. We invite everyone who is interested to sign up to receive *Refractions*, and other UVM DoIE newsletters, [on this form](#).

We send out *Refractions* editions through Mailchimp on the Sunday following the 1st and 15th of every month of the academic year. Materials are due the Wednesday immediately before the Sunday send. *There are no newsletter sends during academic breaks and administrative closures.*

**We do not send out external and/or unvetted research opportunities or professional job opportunities. Internships aligning with *Refractions*' purpose are accepted.**

If your opportunity meets the above criteria, please follow the submission guidelines and timelines below.
