

University of Vermont
**INSTITUTE FOR
AGROECOLOGY**

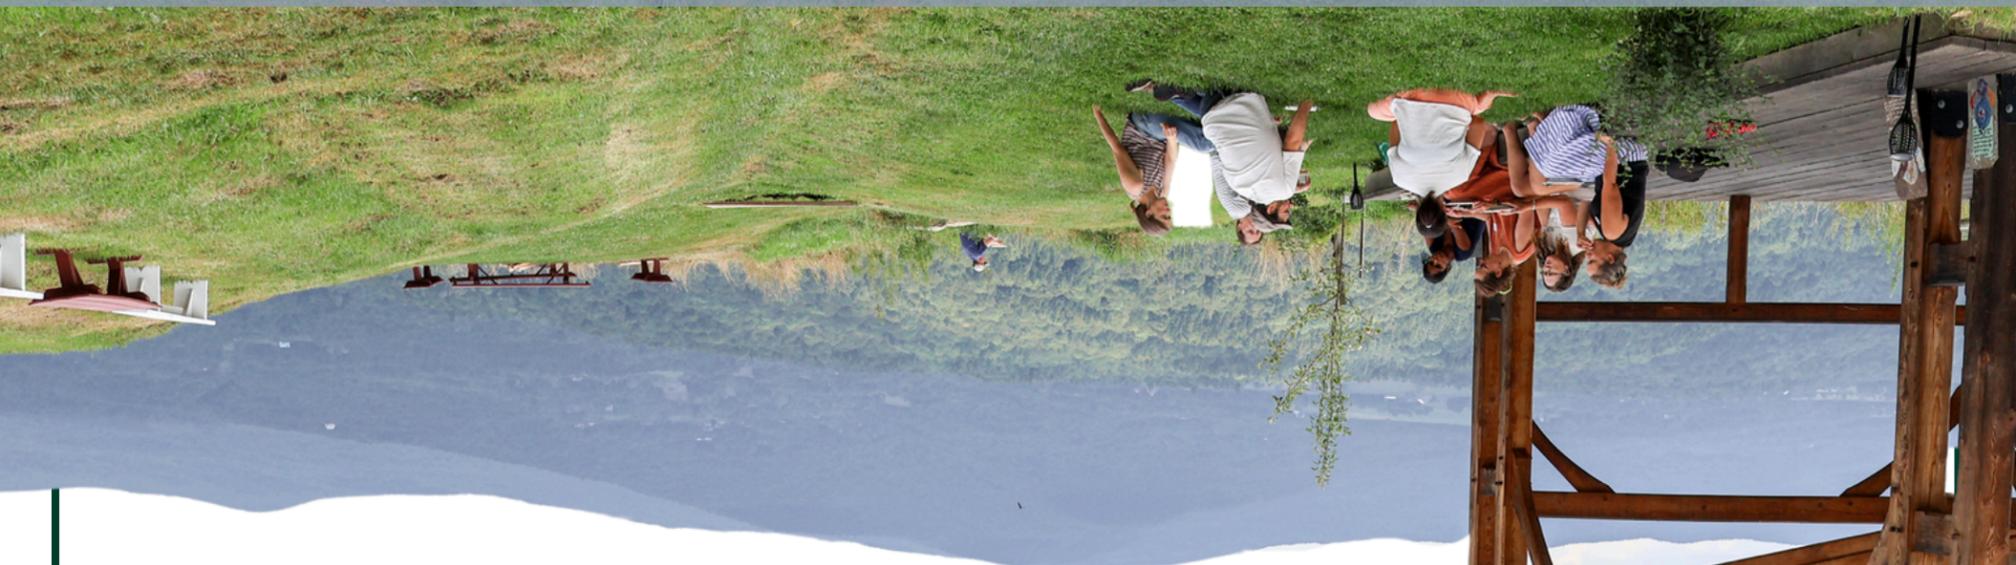

Cultivating a Thriving Planet through Knowledge and Action

AGROECOLOGY at UVM

THURSDAY, APRIL 9 2026 | 4-5:30 P_M

Sugar Maple Ballroom, Davis Center UVM, 590 Main St, Burlington, VT

EXPLORE UVM'S NEW M.S. IN AGROECOLOGY

Climate, food, and justice challenges are reshaping our world. Agroecology offers bold, practical solutions rooted in science, equity, and community.

Join us to learn about agroecology and UVM's newest grad program, the **Masters of Science in Agroecology**. Hear from movement leaders and faculty, and envision your role in building healthier food systems.

Panel discussion + Q&A. Refreshments provided. Free and open to the public. Register for in-person or online attendance: go.uvm.edu/agroecology-event
