

Mount Mansfield: Bibliography

Natural Areas Reference Collection

University of Vermont

This collection represents the management records of the University of Vermont's Mount Mansfield Natural Area. The documents listed below are those that pertain to scholarly research and management reports undertaken in the Area.

Not included in this list is a large volume of documents, such as correspondence, land use records, news articles, and meeting minutes. Please contact the Natural Areas Program for access to these documents.

Special Collections

Rimmer, C., McFarland, K., Ellison, W., Goetz, J. (2001). *Bicknell's Thrush*. Scholarly paper. (to be sent to SC)

Koponen, S. (1987) *Communities of Ground-Living Spiders in Six Habitats in a Mountain in Quebec, Canada*. Scholarly Paper. (to be sent to SC)
