

2026 Annual Crops and Soils Field Day

Thursday, July 23, 2026, 10:00 a.m. - 3:30 p.m., Rain or shine!

Borderview Farm, 487 Line Road, Alburgh, VT 05440

Free for farmers. \$30 per person for all other guests. Lunch included.

Please join us for the 19th Annual Crops and Soils Field Day! All are welcome! This event showcases local research, outreach, and community engagement efforts from the UVM Extension Northwest Crops and Soils (NWCS) team, led by Heather Darby. Attend workshops and sessions, tour Borderview Research Farm, network with community members, and learn about the latest local agricultural innovations, such as:

- Autonomous weeding robots from Greenfield Robotics
- Updates on neonicotinoid research
- Precision agriculture technology
- Research results from Heather Darby and the NWCS team
- And more!
