To be eligible for UVM need-based and federal financial aid, you must meet UVM's Satisfactory Academic Progress (SAP) standards. The SAP standards are in place to ensure that you are making positive progress towards your degree. If you are not meeting these SAP standards, you are ineligible for financial aid. Separate requirements apply to UVM merit-scholarships.

If your ability to meet the SAP standard was impacted by extenuating circumstances, you may submit a SAP appeal to Student Financial Services (SFS). Appeals are reviewed on a case-by-case basis; decisions of the appeals committee are final and will be communicated to your UVM email. **Submitting an appeal does not guarantee approval.**

Instructions & Deadlines:

Appeals must be received **before the first day of the semester** or by May 31st for summer term. Submit your appeal before the deadline. Late appeals will not be considered.

1. Complete Sections 1 and 2 of the SAP Appeal (pages 2 and 3 below).
2. If applicable, gather supporting documentation to attach to your appeal.
3. Meet with your Student Services advisor to review your academic plan which requires their signature.
4. Submit your completed appeal to sfs.compliance@uvm.edu before the first day of the semester or before May 31st if seeking financial aid for the summer term.
