Fall Semester	Credits
CSD 3810: Intro Cognitive Neuroscience	3
CSD 3990: Special Topics	3
Elective/Catamount Core/Distribution	9
Total Credits	15

Spring Semester	Credits
Recommended electives: CSD 3899: Autism Spect Dis: Assess & Interv CSD 3200: Culture of Disability	3
Elective/Catamount Core/Distribution	12
Total Credits	15

Appropriate foreign language course level is determined by the offering department. At least 6 credits must be taken in the same foreign language. The following courses are not approved for this category: ASL 2300, 2990; CHIN 1120, 1990; FREN 1990; ITAL 1990; SPAN 1210, 1990.

Minimum of 120 semester credit hours including the University's general education requirements and a GPA of 2.5 required for graduation. This model curriculum is designed to meet all course requirements. Changes should be reviewed with an academic advisor. Majors must take CSD 2220 and may not take CSD 1220 or LING 2510. Majors, minors, and concentrations cannot take both CSD 1230 and LING 1500. CSD minors or concentrations may only count one of CSD 1220, CSD 2220, LING 2510.

This is an advising tool to help with schedule planning. Please refer to the [UVM Catalogue](#) for full Catamount Core and program requirements and the [CNHS Undergraduate Handbook](#) for academic policies.
