

Arial

PATIENT AND FAMILY ADVISOR
PERINATAL QUALITY
COLLABORATIVE VERMONT

Arial is a person with lived expertise and long-term recovery. She is a single mother to two teenage boys and brings both professional experience and personal insight to her work. Arial has served the Kingdom Recovery Center as the Parents in Recovery Program Coordinator and now leads the organization as Executive Director. She is deeply committed to uplifting others and finds joy in helping people realize their potential and achieve lasting success. Outside of work, Arial enjoys getting lost in a good book by the ocean or relaxing with a cup of tea.
