

Jin Li

PATIENT AND FAMILY ADVISOR
PERINATAL QUALITY
COLLABORATIVE VERMONT

Jin Li is a mother of two (ages 8 and 4) and a Licensed Clinical Social Worker (LCSW) specializing in trauma, anxiety, and depression. She has over 15 years of experience working in medical settings, community health centers, and primary care.

She is a Certified Perinatal Mental Health Professional (PMH-C) through Postpartum Support International (since 2021) and completed the Vermont Full Spectrum Doula Training in 2025. Jin Li is passionate about supporting individuals across Vermont in their perinatal mental health journey and provides telehealth services through her private practice, where she works primarily with BIPOC and perinatal clients.

Jin Li joined VCHIP PQC-VT following her own lived experience with a difficult pregnancy and is committed to advocating for patients and families to receive equitable, compassionate, and high-quality perinatal care.
