Research Currently in Progress

- "Accounting for social good: Tensions and paradoxes in impact measurement." (On-Going). Entrepreneurship and Regional Development. Under second round review.
- "B-Corporations and Family Business" (Planning). New working paper.
- "Can property tax choice architecture increase taxpayer satisfaction?" (On-Going). This research project is most interested in the effects of delegating local property tax decisions to the taxpayer. We are interested to see what may happen by giving taxpayers agency over their property tax dollars (in the form of allocation) and how this agency may impact their overall satisfaction.

"Can tax policy choice architecture motivate positive climate change actions?" (On-Going).
Revise and Resubmit in Accounting Organizations and Society - GSB top tier journal

"Commensuration in the wine industry: How numbers work for climate change and biodiversity loss." (On-Going).
Business History. Under review. GSB top tier journal.

"Dishing up morality: How chefs account for gratuity." (On-Going).
Journal of Business Ethics. Conditional Accept. GSB top tier journal.

"Micro-foundations of accountability in craft businesses" (On-Going).
Accounting, Auditing and Accountability Journal. Under review. Second tier journal at GSB.
But should be top tier. 4* on the ABDC list. Great journal.

"Uncovering accountability cracks: Microfoundational missteps during crisis" (On-Going).
Under review at Accounting, Auditing, and Accountability Journal
