I want our campus to be driven by
constant, open communication so
that we can all find where we belong. With my work as:

- ASB Club and Arts Commissioner
- President and Legislative Ambassador for TAB
- President of Troupe 1915 ITHS
- A dedicated 4H member, Volleyball Captain, and Waterskiing Director

I know I have the tools required to make the spread of information on campus accessible,
digestible, and attainable for all.
