Course offerings and availability are subject to change. Degree audit exceptions for special topics courses BUS 2990/3990 will be made after the Add/Drop period.

**Students in catalogue years Fall 2026 and later are required to take 2 theme courses, 2 upper-level business electives, and their required concentration courses. Courses may <u>not</u> double-count between these categories.**

For students in catalogue years prior to Fall 2026, please see the separate Spring 2027 matrix for approved theme/concentration courses.
