Vermont law grants parties to a civil union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to parties to a civil union. For example, federal law, the Employee Income Retirement Security Act of 1974 known as "ERISA," controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a party to a civil union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a party to a civil union if the public employer provides health benefits to the dependents of married persons. Federal law also controls group health insurance continuation rights under "COBRA" for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, parties to a civil union and their families may or may not have access to certain benefits under this policy, contract, certificate, rider or endorsement that derive from federal law. You are advised to seek expert advice to determine your rights under this contract.

In computing the 2-year period, Standard will include time you were insured under the prior plan.

Standard will refund all premiums paid for that portion of your Optional Life Insurance which is excluded from payment under this suicide exclusion.
See "PART 7: APPLYING FOR BENEFITS AND REQUESTING INFORMATION" for time limits on filing Proof Of Loss.

(B) **The Waiver Of Life Insurance Premium Benefit For Employees**

1. began while you were insured under the Group Policy other than as a Retired Employee and
2. began before you became age 70; and
3. continued for 6 consecutive months.

See "PART 7: APPLYING FOR BENEFITS AND REQUESTING INFORMATION" for time limits on filing Proof Of Loss.

2. your amount of life insurance under the Group Policy would have been reduced under the provisions of the Group Policy that were in effect at the start of your Total Disability;

the amount of life insurance under the Group Policy continued under this benefit for you will also be reduced under those provisions.

In no event will your life insurance under the Group Policy be increased while you are Totally Disabled.

**If The Conversion Provision Is Used Before Waiver Approved**
...and a Standard individual policy of life insurance was issued to you under "PART 6: WHEN INSURANCE CEASES, Conversion Of Life Insurance," payment can be made under either "PART 4: TYPES OF BENEFITS, The Death Benefit" or the individual policy, not both. Before payment can be made under "PART 4: TYPES OF BENEFITS, The Death Benefit," the individual policy must be surrendered to Standard without claim except for the return of any premiums paid. ...you may purchase an individual policy under "PART 6: WHEN INSURANCE CEASES, The Conversion of Life Insurance" as if your employment had terminated. If, however, you return to Active Work for your Employer during the conversion period and are again insured under the Group Policy, no conversion will be permitted.

(C) The Accelerated Benefit
...may be provided if you have a Terminal Illness. You may elect to accelerate the payment of your life insurance under the Group Policy in advance of your death, if Standard receives satisfactory proof that you have a Terminal Illness.

However, if your life insurance under the Group Policy is scheduled to end within 12 months following the date you apply for the Accelerated Benefit, you will not be eligible for the Accelerated Benefit.

There is no separate premium cost for the Accelerated Benefit and no discount or lien associated with acceleration of the life insurance under the Group Policy.

Terminal Illness

The Amount Of Life Insurance That Can Be Accelerated
...will be the amount set forth in "PART 3: SCHEDULE OF BENEFITS, The Amount of Life Insurance That Can Be Accelerated." Except, if your amount of life insurance under the Group Policy is scheduled to reduce within 12 months from the date Standard approves your accelerated payment; the amount of the Accelerated Benefit will be based on the reduced amount of life insurance under the Group Policy.

The minimum amount of life insurance under the Group Policy that can be accelerated is $5,000 or 10% of your amount of life insurance under the Group Policy, whichever is greater.

Automobile is a motor vehicle licensed for use on public highways.

Seat Belt System is a properly installed combination lap and shoulder restraint system that meets the Federal Vehicle Safety Standards of the National Highway Traffic Safety Administration. Seat Belt System does not include a shoulder restraint alone.
Standard will pay the additional amount set forth below, if you die at least 200 miles from your principle residence. (D) The Accelerated Benefit For Your Dependent
...may be provided if your Dependent has a Terminal Illness. You may elect to accelerate the payment of your dependents life insurance under the Group Policy in advance of your Dependent's death, if Standard receives satisfactory proof that your Dependent has a Terminal Illness.

However, if your dependents life insurance under the Group Policy is scheduled to end within 12 months following the date you apply for the Accelerated Benefit, your Dependent will not be eligible for the Accelerated Benefit.

There is no separate premium cost for the Accelerated Benefit and no discount or lien associated with acceleration of the dependents life insurance benefit under the Group Policy.

Terminal Illness
...is a state of health in which life expectancy is 12 months or less. Terminal Illness must be certified by a Physician.

The Amount Of Dependents Life Insurance That Can Be Accelerated For A Dependent
...will be the amount that can be accelerated set forth in "PART 3: SCHEDULE OF BENEFITS, FOR DEPENDENTS." Except, if your amount of Life Insurance is scheduled to reduce within 12 months from the date Standard approves your accelerated payment; the amount of the Accelerated Benefit will be based on the reduced amount of Life Insurance.

The minimum amount of Dependents Life Insurance that can be accelerated is:

1. 10% of the Dependent’s amount of Dependents Life Insurance; or

PART 5: PAYMENT OF BENEFITS

FOR EMPLOYEES AND RETIRED EMPLOYEES

The Benefits Are Payable
...to your Beneficiary, except as otherwise provided. You may name one or more Beneficiaries. You may designate different classes of Beneficiaries such as primary (first) and contingent (secondary). These classes set the order of payment. A class may contain more than one person.

If you name two or more Beneficiaries in a class:

(1) Two or more surviving Beneficiaries will share equally, unless you provide for unequal shares.

(2) If you provide for unequal shares in a class, and two or more Beneficiaries in that class survive, Standard will pay each surviving Beneficiary his or her designated share. Unless you provide otherwise, Standard will then pay the share(s) otherwise due to any deceased Beneficiaries to the surviving Beneficiaries pro rata based on the relationship that the designated percentage or fractional share of each surviving Beneficiary bears to the total shares of all surviving Beneficiaries.
(3) If only one Beneficiary in a class survives, Standard will pay the total death benefits to that Beneficiary.

**You May Name Or Change The Beneficiary**

...at any time without the consent of a Beneficiary.

Your Beneficiary designation must be the same for life insurance and accidental death & dismemberment insurance, if any, under the Group Policy.

You must name or change Beneficiaries in writing. Writing includes a form signed by you or a verification from the Policyholder or Employer of an electronic designation made by you.

Your designation:

1. must be dated;
2. must relate to the insurance provided under the Group Policy;
3. must be delivered to the Policyholder or Employer during your lifetime;
4. will take effect on the date it is delivered to the Policyholder or Employer.

If Standard approves it, a designation which meets the requirements of a prior plan will be accepted as your Beneficiary designation under the Group Policy.

**If A Beneficiary Or A Person In One Of The Classes Below Dies On The Same Day You Die**

...or within 15 days thereafter, benefits will be paid as if that Beneficiary or person had died before you, unless Proof Of Loss with respect to your death is delivered to Standard before the date of the Beneficiary's death.

**If No Beneficiaries Are Named**

...or are alive at your death, the benefits will be paid in equal shares to the first surviving class of the classes below:

1. your spouse.
2. your children.
3. your parents.
4. your brothers and sisters.
5. your estate.

**The Methods Of Payment**

...other than a one sum payment may be requested by you or, after your death, by a Beneficiary other than your estate. When Standard receives satisfactory Proof Of Loss, the benefits provided under the Group Policy will be payable in one sum unless some other method of payment is (or was) requested in writing and approved by Standard. Amounts and terms of other than one sum payments will be those normally offered by Standard for group life insurance at the time of the request.

If the amount payable is less than $25,000, Standard will pay it in a lump sum. If the amount payable is $25,000 or more, Standard will deposit it into a Standard Secure Access checking account which:

(a) bears interest;
(b) is owned by the person entitled to receive the benefit;
(c) is subject to the terms and conditions of a confirmation certificate which will be given to the person entitled to receive the benefit;
(d) is fully guaranteed by Standard.
FOR DEPENDENTS

The Dependent's Death Benefit
...is payable to you.

If dependent's life insurance under the Group Policy is extended, the Dependent's Death Benefit is payable to:

(1) your spouse; or

(2) the executor or administrator of your estate, if your spouse is not living on the date of the Dependent's death.

The Method Of Payment
...for the Dependent's Death Benefit will be in a one sum payment when Standard receives satisfactory Proof Of Loss. No other method of payment is provided.

PART 6: WHEN INSURANCE CEASES

FOR EMPLOYEES AND RETIRED EMPLOYEES

Your Insurance Will Cease
...on the earliest of the following events:

(1) the date the Group Policy terminates; or

(2) the date the Group Policy is changed to terminate insurance on the class of Employees to which you belong; or

(3) the date the last period ends for which the required premium contribution was made for your insurance; or

(4) the date you fail to meet any required Work Test; or

(5) the date you stop Active Work in an Eligible Class, unless:

you are eligible as a Retired Employee;

(6) if you are a member in Class 4 or 5, the date you reach age 70.

If you are no longer Actively At Work due to a leave of absence or other absence, ask your Employer or Policyholder for information about options available under the Group Policy for insurance to continue during your leave of absence.

When your insurance under the Group Policy ends, you may convert to an individual life insurance policy in accordance with "PART 6: WHEN INSURANCE CEASES, Conversion Of Life Insurance."

The amount of your life insurance under the Group Policy may be continued for up to 2 years, or if earlier, to the date the Group Policy terminates. For life insurance under the Group Policy to continue, you must elect the continuation within 31 days of termination of employment and pay the required premiums.
CONVERSION OF LIFE INSURANCE FOR EMPLOYEES AND RETIRED EMPLOYEES

When Your Life Insurance Ceases
...under the Group Policy, you may purchase an individual policy of life insurance without providing Evidence Of Insurability as follows:

(1) When your employment terminates or you stop Active Work in an Eligible Class the amount of life insurance you will be permitted to purchase under an individual policy may not be more than the amount of life insurance under the Group Policy for which you were insured when coverage ceased; or

(2) When the Group Policy terminates or is changed to terminate insurance on the class of employees to which you belong, the amount of life insurance you will be permitted to purchase under an individual policy may not be more than:

(a) the amount of life insurance under the Group Policy for which you were insured when coverage ceased; less

(b) the amount of any group life insurance for which you are then eligible or become eligible within 31 days after the date coverage ceased under the Group Policy.

You will receive a written notice of your right to convert no later than 15 days before the end of the 31 day conversion period. If you do not receive notice, your right to convert will be extended until: (a) 15 days after notice is given, or (b) 60 days after the end of the initial 31 day conversion period, whichever is earlier. However, insurance will never continue beyond the initial 31 day conversion period.

When Your Life Insurance Reduces As Your Attained Age Changes Or When You Become A Retired Employee
...you may purchase an individual policy of life insurance as if employment had terminated on the date the reduction took effect. The amount of life insurance you will be permitted to purchase under an individual policy will be the amount by which life insurance under the Group Policy was reduced.

An Individual Policy
...will be issued under these additional requirements and terms:

(1) You must make application for an individual policy and pay the first premium for that policy within 31 days after the date your life insurance under the Group Policy ceases; and

(2) The individual policy may be on any one of the life insurance forms that Standard then makes available, except one for term insurance, or one having disability or other supplementary benefits; and

(3) The premium payable will be based on the rates in use by Standard on the date the individual policy takes effect. The rates will be based on the policy chosen, and your attained age and class of risk; and

(4) The individual policy will take effect on the thirty-second day after the termination of your life insurance under the Group Policy.

If You Die During The Conversion Period
...Standard will pay the amount of life insurance under the Group Policy that could have been converted. Such amount will be paid to the Beneficiary named under the Group Policy, if you die before applying for an individual policy of life insurance. If, however, you die after applying for an individual policy, such amount will be paid to the beneficiary named on the application for the individual policy.
FOR DEPENDENTS

Dependents Life Insurance Will Cease
...on the earliest of the following events:

(1) the date the Group Policy is changed to terminate dependents life insurance under the Group Policy for the class of Employees to which you belong; or

(2) the date the last period ends for which the required premium contribution was made for your dependents life insurance under the Group Policy; or

(3) the date the Dependent is no longer a Dependent as defined in “PART 9: DEFINITIONS”; or

(4) the date you become a Retired Employee; or

(5) the date your life insurance under the Group Policy ceases, except:

   (a) when your employment terminates, the amount of dependent life insurance under the Group Policy in effect for your Spouse and/or Children may be continued under the Group Policy for up to 2 years, or if earlier, to the date the Group Policy terminates. Continuation for any Dependent will also cease on the date that Dependent is no longer a Dependent as defined in "PART 9: DEFINITIONS." For dependent life insurance under the Group Policy to continue, you must elect the continuation and pay the required premiums within 31 days of termination of employment.

   (b) When continued coverage ends, your Dependent(s) may convert to an individual life insurance policy in accordance with “PART 6: WHEN INSURANCE CEASES, conversion of Dependent Life Insurance”.

When continued coverage ends, your Dependents may convert to an individual life insurance policy in accordance with "PART 6: WHEN INSURANCE CEASES, Conversion of Dependents Life Insurance".

CONVERSION OF DEPENDENTS LIFE INSURANCE

When Dependents Life Insurance Ceases
...under the Group Policy because your life insurance under the Group Policy ceases, or your Dependent is no longer a Dependent as defined in "PART 9: DEFINITIONS," your Dependent may purchase an individual policy of life insurance without providing Evidence Of Insurability. The individual policy will:

(1) be provided under the same requirements and terms as those given to you when your life insurance under the Group Policy ceases; and

(2) apply to the amount of dependents life insurance under the Group Policy for which your Dependent was insured.

No conversion of dependents life insurance under the Group Policy is permitted for your Dependent if your life insurance under the Group Policy ceases because you stopped making any required premium contributions.

If Dependents Life Insurance Is Reduced
...because the amount of your life insurance under the Group Policy is reduced, your Dependent may purchase an individual policy of life insurance as if your employment had terminated on the date the reduction took effect. The amount of life insurance your Dependent will be permitted to purchase under an individual policy will be the amount by which his or her dependents life insurance under the Group Policy was reduced.
PART 7: APPLYING FOR BENEFITS AND REQUESTING INFORMATION

Applying For Benefits
An application for benefits and all documents to support the application should be filed promptly. Your Employer or Policyholder can supply the application and help you or your Beneficiary complete it. Proof Of Loss must be filed within the required time limits. No benefits will be provided until Standard receives Proof Of Loss. All proof must be satisfactory to Standard.

Proof Of Loss
...is written proof that a loss occurred:

(1) for which the Group Policy provides benefits;
(2) which is not subject to any exclusions; and
(3) which meets all other conditions for benefits under the Group Policy.

Written Proof
Standard will send forms for filing Proof Of Loss within 15 days after they are requested. If forms are not sent within 15 days after Standard’s receipt of the request, proof may be submitted in a letter describing the occurrence, character and extent of the loss.

Time Limits On Filing Proof Of Loss
Unless a different time period is provided below, Proof Of Loss must be provided within 90 days after the date of the loss.

Proof Of Total Disability
Proof Of Total Disability must be provided within 12 months from the date Total Disability starts. However, if death occurs before proof is given, Proof Of Total Disability can be provided up to 12 months after death. Proof of continued Total Disability is required at reasonable intervals to be determined by Standard. If Standard requests proof of continued Total Disability, it must be provided within 45 days.

However, no claim will be denied or reduced if it is shown that it was not reasonably possible to give Proof Of Loss at the time it was required and such proof is given as soon as reasonably possible, but not later than one year from the date Proof Of Loss is required. The time limits for filing Proof Of Loss will not apply while the Employee or Beneficiary lack legal capacity.

If Proof Of Loss is not provided within the required time, no benefits will be provided and the time limits set forth in "PART 7: APPLYING FOR BENEFITS AND REQUESTING INFORMATION, Legal Proceedings Against Standard" will begin.

Types Of Proof Of Loss
(A) Proof Of Death
Standard must receive a certified copy of the death certificate and any other proof it reasonably requires. Standard may have an autopsy performed at its expense, except where prohibited by law.

(B) Other Proof
Proof Of Loss includes any other information Standard reasonably requires in support of a claim. All proof must be in writing and must be provided at the expense of the Employee or Beneficiary.
