Rules for the Laboratory

The following MUST be observed in ALL labs.

1. Anatomical specimens are to be treated with respect at all times.

2. No human tissue or models are allowed to leave the anatomy laboratory at any time.

3. Absolutely NO FOOD or DRINK is allowed in the laboratory at any time.

4. Absolutely NO PICTURES or VIDEOS are allowed in the laboratory. All image-capturing devices must be left at the door and will be returned upon leaving (including cell phones).

5. Gloves are required when working with human tissue and/or models in the anatomy laboratory. Gloves should be discarded in the laboratory waste bins (not in the hallway). Gloves will be provided in the laboratory.

6. Changing rooms and small lockers for belongings are provided outside of the lab. Do not bring book bags/backpacks, jackets or other personal belongings that will need to be set down into the laboratory on the counters or floors. These may be placed in the lockers. Please understand that the lockers are not secured.

7. Children under the age of 13 years old are not permitted in the Anatomy or Pathology Labs.
