

myACCESS Student Portal

What is the myACCESS Student Portal?

The myACCESS web portal is a complete online scheduling and data management system designed to meet the needs of disability service provisions for students and faculty, all available online 24/7.

For students, the myACCESS Student Portal provides an easy and convenient way to submit exam scheduling requests, download course notes and manage other service requests, as well as generate accommodation letters.

Navigating to the Portal:

The myACCESS Student Portal is available via links from within Blackboard and myUVM, as well as from our website (uvm.edu/myACCESS). You may also link directly to the portal via QR code:

myACCESS Portal Icons and Functions:

Certification & Authorizations

Students must complete required forms as an important step in getting started with SAS.

Accommodation Letters

Students may submit accommodation letters online via the portal at the start of each semester.

My Schedule

View a full list of any booked tests, exams, upcoming SAS Appointments, and/or workshops.

Book a Test/Exam

Students with testing accommodations may submit their scheduling requests online.

Workshops

View a list of workshops offered and sign up!

Notes—for Students

Request a note taker and download course notes. Don't forget to check early and often!

Notes—for Note Takers

Register as a note taker and upload course notes.
