* CAS students are advised to meet this requirement with a course that will fulfill the **Mathematical Sciences distribution requirement**

**Non-European Cultures* ** Take one 3-credit course from this list:

* This CAS category meets UVM’s requirement of Diversity Category 2 (**D2**): Diversity of Human Experience.

**KEEP IN MIND:**

- Requirements may not be taken on a “pass/no pass” basis.
- Special topics courses (095, 096, 195, 196, 295, 296), as well as courses that are cross-listed with those above, may meet general and distribution requirements; check with CAS Student Services (cas@uvm.edu).
- A course used to fulfill any of the four requirements above may also be applied towards a distribution requirement.
- No course may fulfill more than one B.A. or B.S. distribution requirement, except a foreign language literature course, which would fulfill both the Foreign Language distribution requirement and the Literature distribution requirement.
- No more than three courses from the same department can be used to satisfy B.A. or B.S. distribution requirements.
- Major and minor requirements may also be used to fulfill general and B.A. or B.S. distribution requirements.
- Not all courses listed are offered every semester, or every year, so plan accordingly.
- Except where noted, only courses of 3 credits or more will satisfy B.A. or B.S. distribution requirements.
