University of Vermont
A leader in undergraduate education, the scope and resources of a national research university — a Public Ivy experience.
WHY UVM

Learn from the best...

The excitement of discovering new things “spills over into the classroom. It’s contagious.”

Josh Bongard, Computer Science. Presidential Early Career Award for Scientists and Engineers; Creator of one of “Six Ideas That Will Change the World”, Esquire Magazine; Microsoft New Faculty Fellowship Award; Top Innovator under 35, MIT Technology Review.

(above) UVM College of Medicine professor James Hudziak, one of world’s leading neuroscience authorities, also teaches UVM undergraduates; (opposite top left) Business professor Dita Sharma is an international expert on family business; (opposite top right) Penny Bishop, professor of education, shares her expertise on technology and learning and school transformation internationally as well as with her students.
directly from the best...

As a young professor, Emily Bernard knew she was supposed to want a position where she could conduct research, write wonderful books—and avoid undergraduate teaching. “I never wanted that job, teaching is too rewarding.”

Emily Bernard, English. Ford Foundation Fellowship, National Endowment for the Humanities Fellowship; W.E.B. DuBois Resident Fellowship at Harvard

(above left) Philosophy Professor Randall Harp brings relevance and rigor to his courses on logic, ethics, ancient philosophy and the philosophy of action and of social science. (below left) Geology professor Paul Bierman, recipient of a National Science Foundation Director’s Award, epitomizes UVM’s teacher-scholar model; (below center) Nursing and Health Sciences Dean Patty Prelock is a foremost authority on autism as well as a dedicated and popular teacher; (above, center) Sociology Professor Alice Fothergill, an expert on the effects of disaster on children and families, brings her active field work into the classroom.

98% of classes are taught by faculty

38% of undergraduates do research with faculty mentors*

*National Survey of Student Engagement
Compared with other national research universities, UVM is small, creating distinct advantages:

- Programs with breadth and depth
- Interdisciplinary learning
- Close connections with faculty

...in a setting that fits.

Anthropology professor Luis Vivanco helped found UVM’s Global Studies Program, Humanities Center, and Oaxaca Semester. He’s received UVM’s highest honor for teaching as well as MacArthur, Mellon and other awards for his ethnographic research.
Learning comes with experience...

WHY UVM

“I recognize that I am now a member of a university community committed to creating and maintaining an environment supportive of all...”
—First-year Induction Ceremony Pledge

We value community.

40+
Themed Housing Options

25%
of students choose theme-based housing

WE Our newest programmed housing option, Wellness Environment (WE) offers:
• fitness and nutrition coaching
• on-site tai chi and yoga classes
• a local mentorship role
• seminars on the brain science behind sports, nutrition, drugs, and other topics taught by physicians and other health experts
• a “leave it at the door policy” contributing to a respectful, peaceful living environment

(higher left) For many, a sense of community begins in the residence halls and spreads from there — especially around cookies, as the ones made fresh every Tuesday by Lisa Schnell, interim dean of the Honors College; (center) students build a canoe from locally harvested cedar, a project supported by UVM’s Ecological Design Collaboratory in the GreenHouse residence; (right) TREK connects many first-year students on outdoor, wilderness, and service trips before classes begin each fall.

GREEN SPOTS
- 22 environmentally-themed majors and concentrations are offered
- The Green House, one of our Residential Learning Communities, provides environmentally-themed programming for more than 200 students
- Eco-Reps promote environmental practices within residence halls and campus-wide through events supported by the Office of Sustainability
- Clean Energy Fund supports campus renewable-energy projects
- 45% recycle rate of campus waste
- Real Food Campus Commitment – UVM became the 5th school in the country to sign this pledge. By 2020, 20% of all food will be locally or sustainably grown
- New Building Commitment – all new buildings since 2004 have received Silver or higher LEED certification from U.S. Green Building Council.

Our community has values.

ENVIRONMENTAL & SOCIAL RESPONSIBILITY
Every student takes a Sustainability course that explores how humans and nature can productively coexist and how society can progress without compromising future generations. We believe it is possible to do well and to do good. These goals are at the heart of a UVM education.

“College with a Conscience” — Princeton Review

(top left and right) Each spring UVM students fan out across the country to build homes for those without, tutor youth at risk, repair damage to wildlife habitats... during Alternative Spring Break; (above) As part of a “Citizenship and Education in the U.S.” course, students like Eric Venzia help members of Burlington’s large refugee community prepare to become U.S. citizens.

HONORS COLLEGE
The intellectual opportunity of a lifetime.

• UVM Honors College students successfully compete with the most talented students nationwide for prestigious awards such as Fulbright, Marshall, and Goldwater.
• Close advising and networking open doors to top graduate schools and employers.
• Newly admitted students are invited to enroll based on their academic record. Approximately 200 students make up the first-year class; they are joined by 100 students in the sophomore year who present outstanding first-year academic records.
• Seminars in the first and second year stimulate inquiry, debate, writing, and research; students conclude honors studies with a senior thesis or project.
• Scholars are invited to live in the honors residence, University Heights North.

www.uvm.edu/academics
Applying

The University of Vermont selects students who demonstrate great potential for success at the university. The rigor of a student’s academic program, standing in the graduating class, standardized test results, trends in performance, the competitive nature of the student’s prior academic environment, and life experience are considered.

View detailed entrance requirements, application steps, and guidelines at www.uvm.edu/apply

UVM Admissions Profile
Percentage of first-year students admitted for fall 2015 by class rank:

- TOP TENTH: 40%
- TOP QUARTER: 77%
- TOP HALF: 97%

Middle 50% scores for admitted students:

- SAT Critical Reading: 560-670
- SAT Math: 570-670
- SAT Writing: 560-670
- ACT: 26-31

*reported by 36% of applicants

Financial Aid

The university awards more than $29 million annually to new first-year and transfer students in merit scholarships as well as need-based aid. A student’s estimated family contribution along with their academic record are considered when determining awards. The University of Vermont remains need-blind in our evaluation for admission.

Estimate financial assistance using our Net Price Calculator at www.uvm.edu/sfs/

Visiting

We offer information sessions and tours most weekdays and several Saturdays during the academic year and summer, as well as fall open houses. To plan a visit, please call us as (802) 656-3370 or make a reservation online at www.uvm.edu/visit

For your information: The University of Vermont publishes an Annual Security and Fire Safety Report (ASFR) in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act (Clery Act). The ASFR includes statistics for the previous three calendar years for certain categories of crimes that were reported to have occurred on campus, in on-campus buildings or property owned or controlled by UVM, and on public property within or adjacent to the campus. The ASFR also contains information about institutional policies and procedures, emergency preparedness plans and programs, and campus programs and resources related to the prevention of and response to crime at www.uvm.edu/police/reports/clery/public-safety-report.pdf, or request a paper copy from the Department of Police Services by visiting 284 East Avenue, Burlington, VT or by calling (802) 656-3473.
