

# 4-H Horse Activity #9

## Answer Key

### Preparing to head to the show!

Fill in the blanks:

1. Make sure that your trailer is inspected and the tires are inflated properly.
2. Practice loading and unloading your horse before the day of the show.
3. Don't try to load your horse when you feel rushed.
4. In a two sided trailer, load the first horse on the left side.
5. Learn how to tie a slip knot to tie your horse in the trailer.
6. Feed less grain then normal on day of trucking.
7. Get your horse used to drinking from a bucket before heading to the show.
8. Use leg wraps for trips to reduce chance of injury and fatigue.
9. Don't forget to bring your approval forms and health papers to all 4-H shows!
10. Bring all necessary feed, bedding, equipment to the overnight clinic.

Word bank:

More	Wraps	Left	Approval Forms
Bucket	Health papers	Feed	Trailer
Tires	Loading	Bedding	Less
4-H medals	Right	Tack	Equipment
