VTEEN 4-H SCIENCE PATHWAYS CAFES!

In-Person and Virtual Cafes
Spring 2022 Series

Join us this Spring for both in-person and virtual cafes where you will meet scientists, learn about their work, explore different science pathways, and engage in informal discussions.

Registration is required for all cafes:

www.uvm.edu/extension/youth/announcements

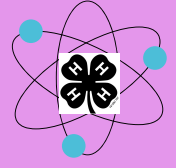

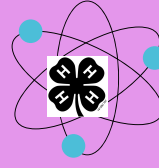

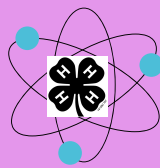

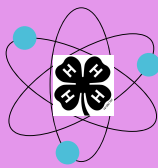

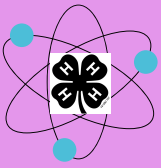

Open to all youth in grades 7-12 in VT and beyond!

See our Spring 2022 Series schedule & topics on the back.

All in-person cafes will be held at the University of Vermont in Burlington.

Free pizza and drinks will be served. Masks will be required to be worn by all participants regardless of vaccination status. The specific details of how cafes may run are subject to change based on the guidance from the Vermont Department of Health and UVM policies.
